GELATO WAFFLE CONE

Black Cones

The dark side of
delicious

Crisp Waffle Taste

Even though these dark waffle cones look fit for a black-tie affair or a spooky soiree, they still have the same familiar waffle cone taste you know and love. You can expect the sweet crunch that perfectly complements your favorite ice cream or gelato when you bite into one of our cones. There's no need to be afraid; take a taste of the dark side.

Applications

From the perfect upscale finish to your elegant dinner party to the wonderfully wicked treat at your yearly Halloween get together, this cone is the right fit for any occasion that requires a dessert with flair. Use our cones to accent the sweetest part of your event and, like these bold black cones, you'll stand out from the crowd.
